“High school was neither a high nor a low point in my life – it was what I like to call a medium point. If it is a high point for you, great. However, it should never be the highest point. There is a world, a magnificent but scary world, beyond the walls of high school that is waiting for you. I, along with all of the other graduating seniors, will have a chance to turn those “maybes” into realities during college and beyond. You will too. Work hard and follow your heart, but remember that high school is not the be all and end all.” - Tina N.

Expressions

- ✓ How do we express ourselves? How
- ✓ does the way we dress, speak, write,
- ✓ decorate, make music communicate our Soul?

Because the thing is—we're doing it. All the time. Even when we may be unaware of it. Subconsciously, every moment of our lives is expressing something. Telling the world who we are. Showing our Soul to the world. Maybe in subtle ways. Like what makes us smile. Maybe in overt ways. Like dancing to our favorite songs, or hitting a high note we've never hit before, or playing an instrument for others.

Our story is always being told.

Jaylen Reese returned from college to guide the Expressions performers. Nice work, Jaylen!

It was a rebuilding year for the Warriors football team under new head coach Rick Richards. The Warriors played only two games on their new field, unfortunately coming up short in both. Replacing Coach Ivan Zimmer was tough, and the Warriors managed a 3-7 record and an opening round loss in the Sectionals. However, the future remains bright with Cody Snook leading a batch of returning seniors.

The Calumet boys cross country team advanced to its fourth straight regionals, their third straight under coach Malorie Craften.

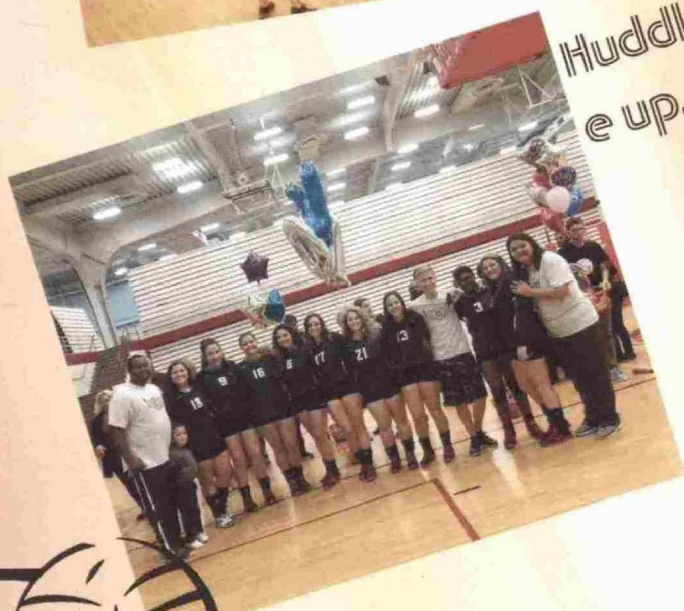

With new improvements to the sports facilities, including a new outdoor track, and the implementation of a middle school cross country team in its first year of competition, the future of Warriors cross country is as bright as it's ever been.

The 2016-2017 volleyball season was definitely one for the books. With half of the varsity team graduating, myself included, we all knew that there was a lot of work to be done in order to leave our mark. Our lovely team consisting of 8 seniors, 2 juniors, 1 sophomore, and 2 freshmen, worked very hard throughout our season to improve upon our skills on and off the court. That being said, we all became better versions of ourselves, not only as players, but as people in general. Needless to say, I feel that our newly gained skills are what aided in ringing in multiple wins and is what helped end our final game with a win as well. - Alyssa Vargas

The Calumet Warrior Netters, led by Captain Robert Huff, made great strides this year, posting a 9-5 record. Anchored by juniors James Sopiartz, Luis Rodriguez, and Juan Lopez and senior Brett Baranowski, the team was competitive throughout. Moreover, the future looks bright: there are three Freshmen on the team, all of whom have great futures.

CHEER-LEADERS

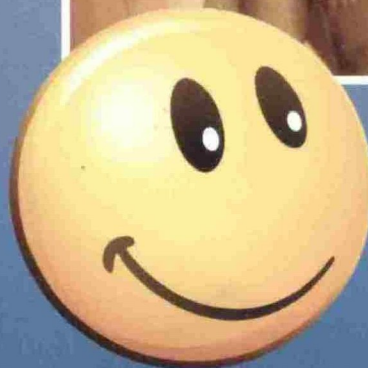

HOMECOMING

The girls know how to get things steppin'! (This might be the first pic in which Taiha Covaciu didn't put her hand over her face - ever!)

CHEERLEADING

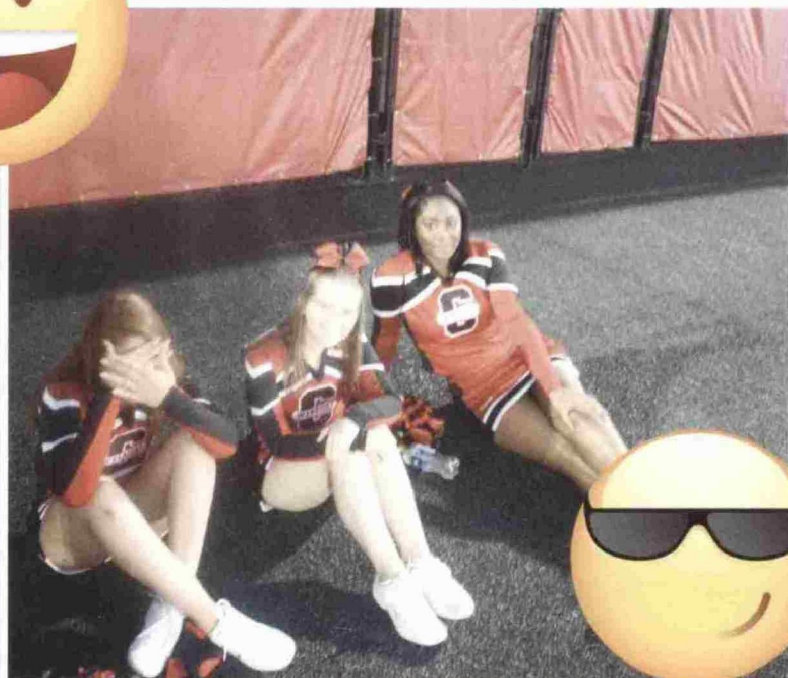

Cheerleaders - the best athletes aren't on the field! Cheerleading is not easy. Not even close. Anyone who thinks differently just needs to come out and actually watch it.

LOL

**We're coming out, and
you know we get the
party started!**

What does it mean to be a cheerleader? In a word, everything! Cheerleading has a unique skill set, as we were reminded recently when a heated debate broke out in the comments of an article about pro fighters saying cheerleading was the hardest sport they have ever done. While there is definitely some overlap among all athletes, cheerleaders have to do some things that a lot of other athletes don't.

ALYSSA LAMB

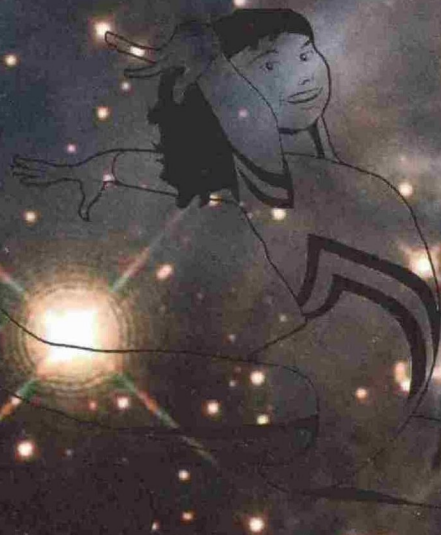

Alyssa graduated this year, but she sure left her mark on the squad!

BOWLING

This year's bowling season was one to remember. It was filled with fun and embarrassment (cough, cough Robert and Zach). The best part of the season was how we were all so competitive with each other. Everyday was a new bet that someone wanted to win. One time, our assistant coach, Mandie, made a bet saying that, if we got a certain score, she would pay for Hooters, and, sure enough, she kept her promise. The best memory is when Zach fell flat on his face. The approach was very slick, so when he went up to bowl, he lost his footing and wiped out. Everyone cracked up, and he just lay there in defeat. It was hilarious! We were always having fun, and I think that's what made us such a great team. We never were too hard on each other, and we always - always - did our best, and that's why I think our team was amazing! - Nellie Joiner.

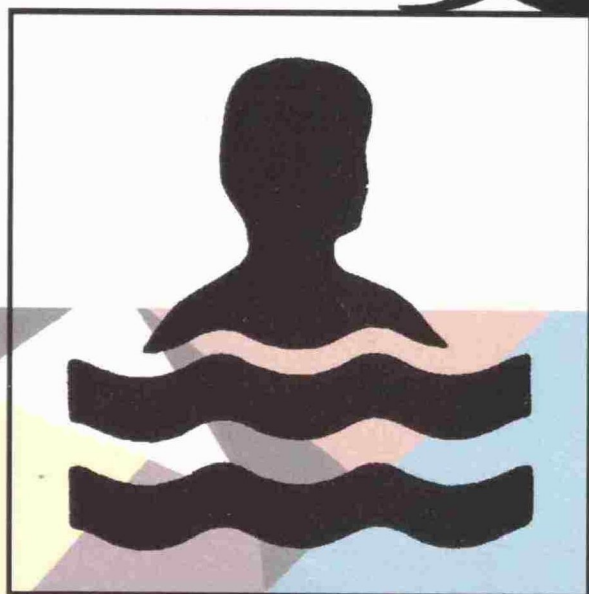

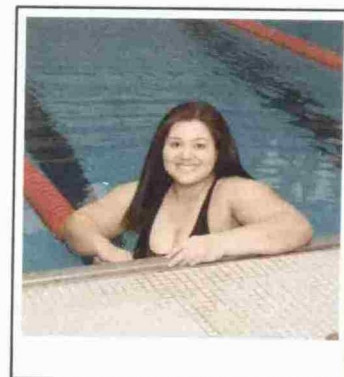

WARRIORS SWIMMING

New pool, new era, new attitude for Warrior Swim Team.

New Head Coach Adriana Martinez and Assistant Coach Connie Martinez came into a new season with great excitement. The swimmers were filled with eagerness and worked hard throughout the season. The incoming freshman made a positive impact on the team with their scoring for all meets including sectionals. These Freshmen swimmers were Antionette Ulrich, Jenna Stacy, Kyle Bradley, William "Billy" Santos and Collin Roberts. Our veteran swimmers broke personal times, sometimes more than once during the season. Some of our veteran swimmers included Kristin Davia, Jamon Cavanaugh, Nathan Velez, Seth Hubbard, Miguel Velazquez, Jimmie Stanford and Angelina Andrade. Overall the team had a terrific season and we will look forward to the upcoming 2017-2018 swim season.

Sophomore Co-Captain, A.J. Fowler pulls his Crown Point opponent back inbounds to finish a takedown. A.J. claimed championships at the Lake County, GSSC, and Sectional tournaments before advancing to the "round to go" at Semistate. A.J.'s 35 victories moved the Fowler family's school record to 423 wins and counting.

Junior Caitlin Clark, in the midst of her "Big Throw" over Avon in the State Championship match. Caitlin's 45 career wins established a new CHS women's record, previously held by her sister Kalia (12) who had 28. Caitlin won the IHSGW North Regional at Rochester and the State Championship at 120 lbs. She was also named to the Junior Academic All-State team. Below left: Caitlin celebrates her State Championship with her coaches afterward.

Junior Co-Captain, James Lewis securing the pin in the Rochester Tourney finals against his Plymouth foe. James also won the GSSC title and finished 2nd at Lake County before an emergency appendectomy ended his season. He was named Honorable Mention Academic All-State by the Indiana Wrestling Coaches Ass'n.

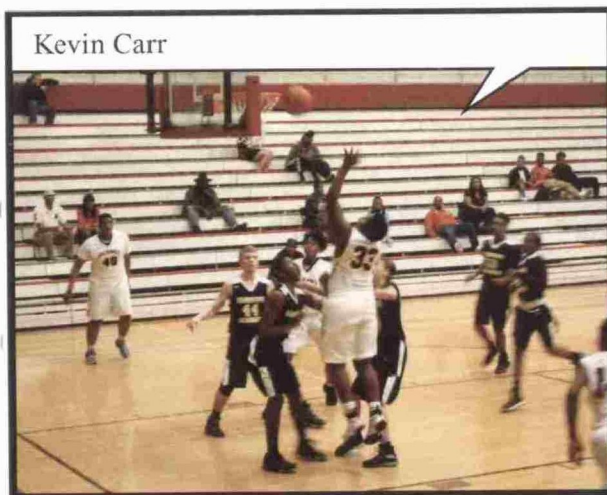

The Warriors finished 9-13. The top scorers were Jaylen Sullivan and Jaylen White. We lost to Wheeler in Sectionals by 1pt. We lost 6 seniors and 2 went on to play college ball. We will return 6 seniors next year. - Coach Nelson

GIRLS BASKETBALL

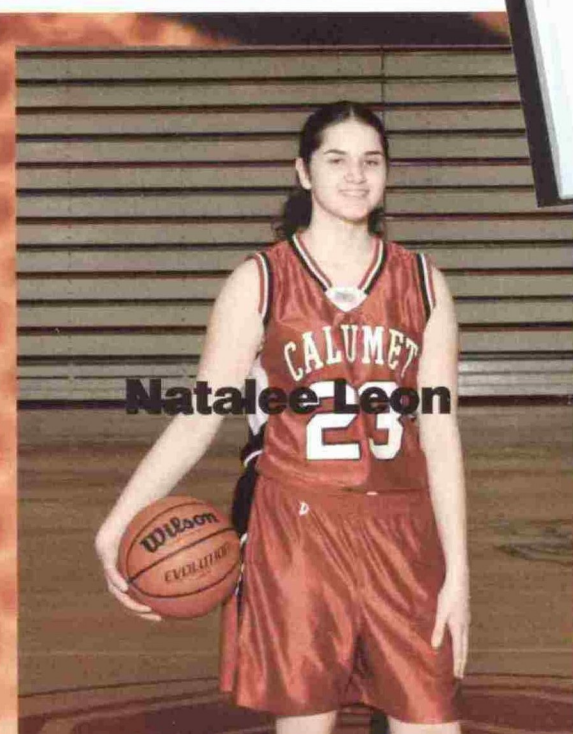

Team makes strides under leadership of Coach Bytnar.

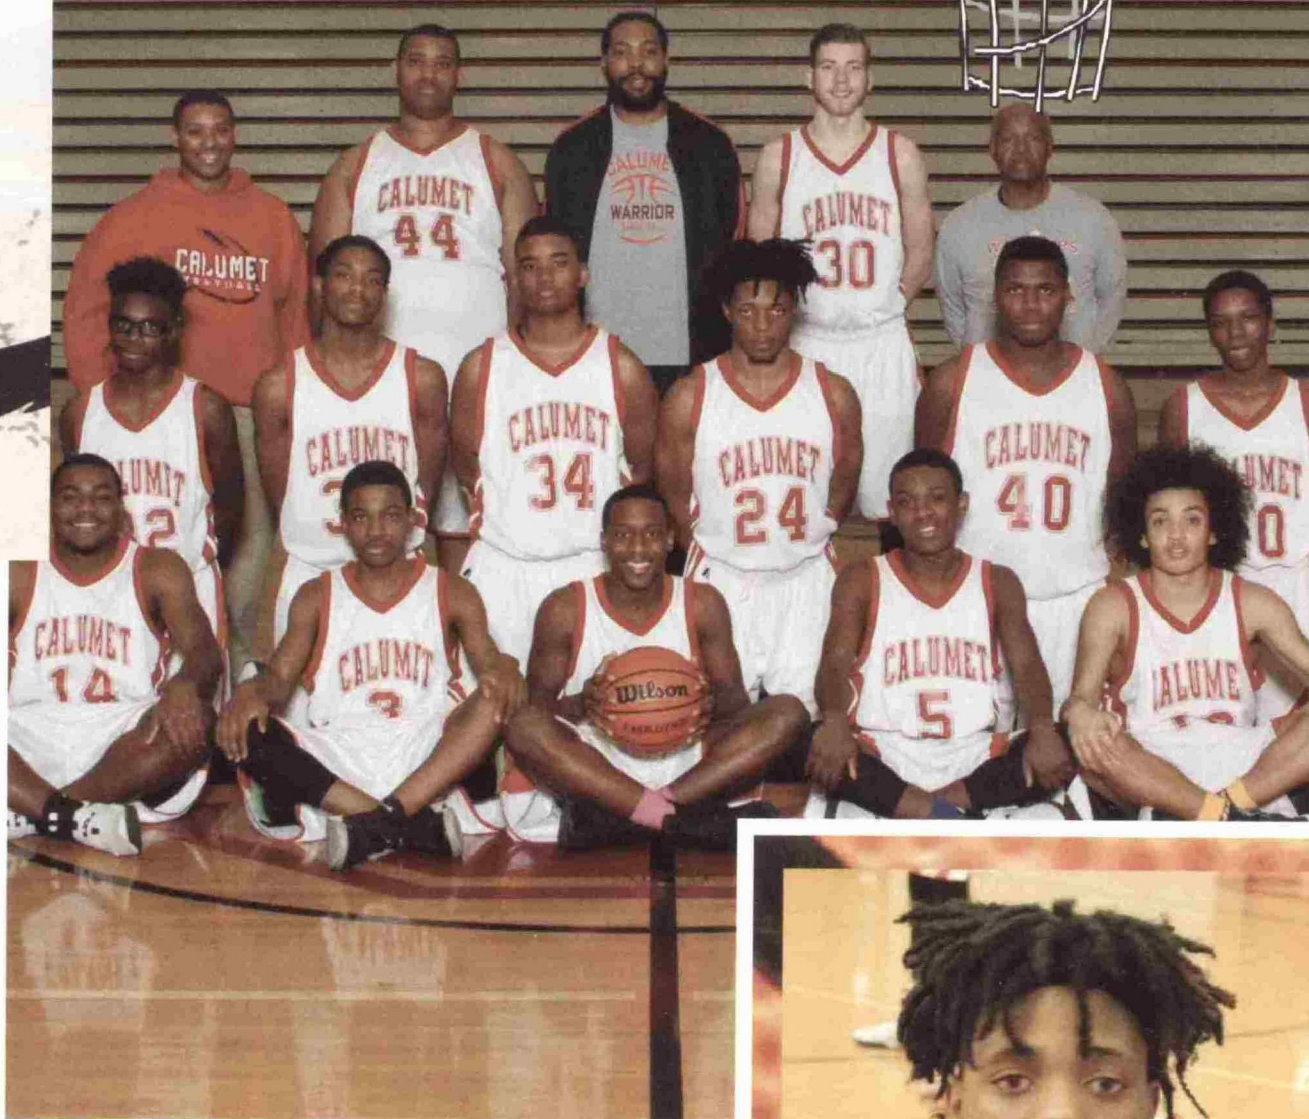

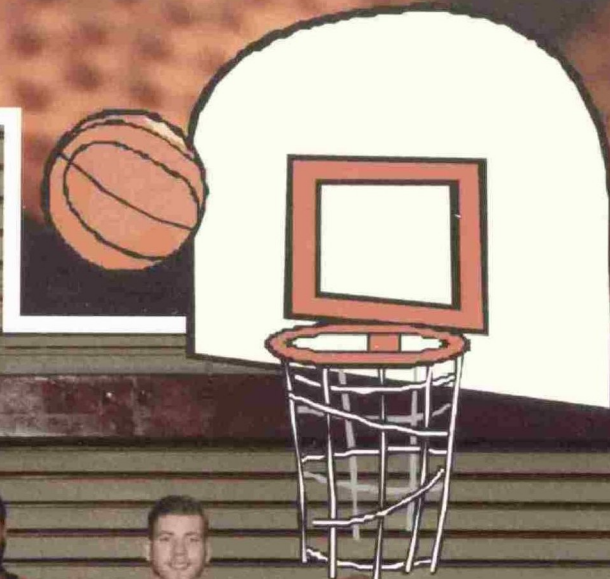

The Lady Warriors, came off a rough season with a 3-23 record. We displayed energy, effort, and enthusiasm, day in and day out. We had a never-say-die attitude from the beginning to end of the season. The continued progress and growth of the program is going to bring success in the future. We are in a growing year and looking forward to what our underclassmen will bring to the court in near future. - Coach Bytnar

GIRLS TENNIS

A rebuilding year under new coach Mrs. Burton gives reason for hope in the future!!!

This was my first year coaching the girl's tennis team and I loved every moment of it. I had a chance to coach a wonderful bunch of girls who worked their butts off each day in practice as well as on the courts. The girls worked really hard each and every match and put their hearts into it and left all that they had on those courts. We had a great season being that 8 out of my eleven players were first year players. Every team that we went against mentioned that we would be the team to beat next season. We ended the season with a 3-16 record. I am very excited about the 2017-2018 Season! - Coach Burton

SOFTBALL

With a record of 6-20 and a loss in the opening round of Sectionals, it would be hard to say that the Warrior Softball Team's season was anything but a big step back, especially with their head coach (Coach Wilson) and all but a handful of players graduating and/ or moving on. But hope springs eternal, and there is always talent on this team.

Talkin' Baseball

Warrior strikers struggle but grow...

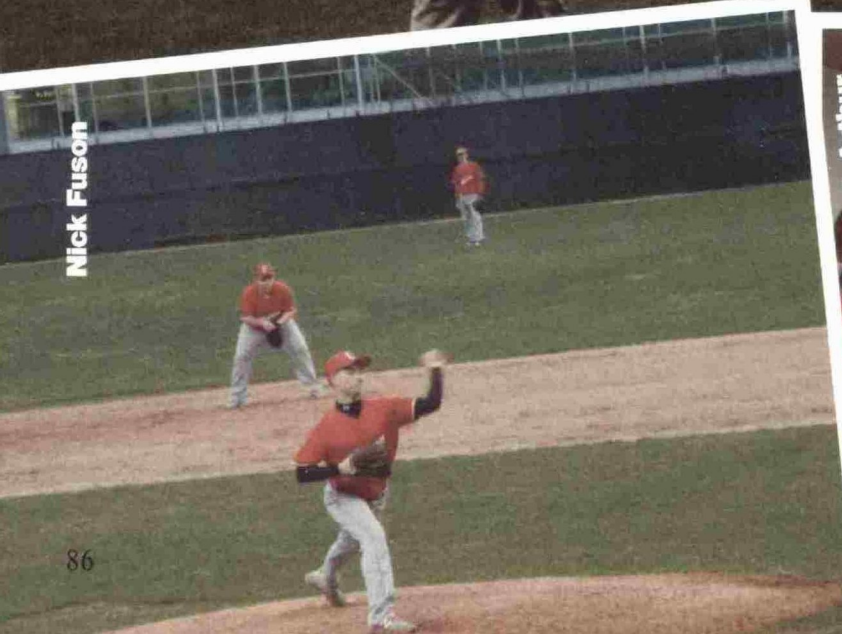

The Warriors Baseballers struggled this year. First of all, they had no home games...a drainage issue forced them to play all their games on the road. Secondly, the rebuilding continued, and they didn't win many games. However, there were bright spots, including the leadership of Senior captains Nick Fuson and Zachary Nally. There is hope for the future too, with several returning stars, including rookie of the year Kaleb Deel.

TRACK TEAM

Thank you all for a final successful Calumet Track & Field season, - there's no group of kids I'd rather be coaching than you all. Please remember all of the life lessons and coaching you have learned along this journey, as I know I will never forget the ones you guys have taught me. I will be your number one fan from afar and will miss spending my evenings and Saturdays with you all. Thank you for this wonderful ride these last 3 years and I wish you all the best wherever life takes you. I love you all and be good for your new coaches next season! - Coach Crafton.

Feel (and Face) the Music!

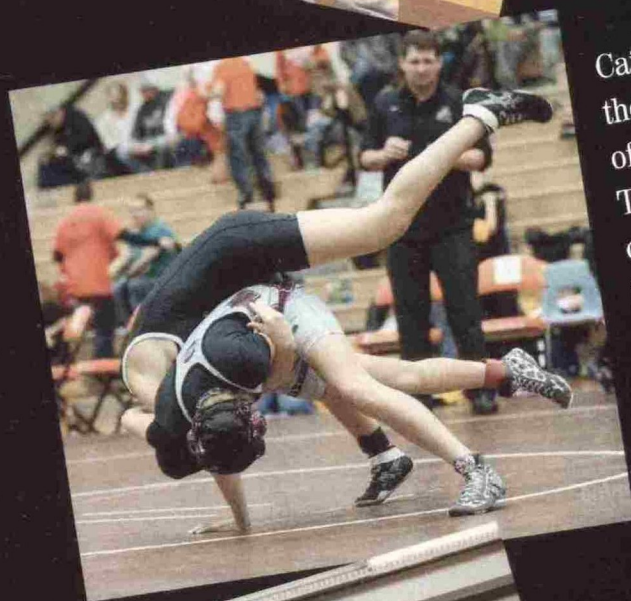

Calumet Marching Band

Long rehearsals. Memorize drill. Memorize music. Early is on time; on time is late. The discipline you experience and practice is a foundation for discipline later, through college, in the workplace, as a parent. The discipline of being a part of a team like a marching band is experience that you'll take with you through life.

Caitlin's 45 career wins established a new CHS women's record, previously held by her sister Kalia ('12) who had 28. Caitlin won the IHSGW North Regional at Rochester and the State Championship at 120 lbs. She was also named to the Junior Academic All-State team.
